

WATER DESCENT

VIBRANT COLORFUL WATERFALL

Five models for different water effects

LED Strip Power

12V DC

Remote Control

10 Lighting Patterns

Widths

25/150 mm

Lengths

300/600/900/1200mm

Make your pool alive!

Water Descent is one of the most beautiful ornamental features for your pool or spa.

Creating a water movement in your pool, it may be adjusted from a peaceful sheet of water falling into the pool, to a relaxing water massage for your back, adding elegance and style to your pool.

Available in five different models, you can enjoy different water effects and trajectories, from our standard water fall, to rain sheer or arc trajectory.

With the optional RGB LED strip, the unit provides you vibrant colorful waterfall which adds visual interest and soothing sound of flowing water to your landscape.

Features

1. Available in two different widths: 25 mm and 150 mm, they are suitable for different wall sizes.
2. Four different lengths: 300 mm, 600 mm, 900 mm and 1200mm .
3. LED strip is powered by external 12V DC, which is safe and reliable.
4. The LEDs can be operated through panel or remote control and 10 lighting patterns are available.
5. Multiple water descents can share the same controller for synchronized color effects

Pool & Spa Equipment

Water Descent LED Control Box PB SERIES

LED Water Descent Control Box

Instead of using fiber optics, the LED strip is built into the unit placing the light source as close as possible to the waterfall. This design creates a wonderful illumination to the water falling into the pool.

10 pre-programmed LED lighting effects allow you to create the best luminous water features in your hands.

5 different models available for different water effects:

1. PB Series: Sheet of water with standard trajectory.
2. PBA Series: Sheet of water with arc trajectory.
3. PBS Series: Sheet of water with sheer trajectory.
4. RA Series: Rain fall effect with arc trajectory.
5. RS Series: Rain fall effect with sheer trajectory.

PB Series

Production information

Code: 08080035

Model: WTD-CB

Input power: 220V AC±15%; 50/60Hz

Output power: 12V DC: 60W

With remote controller

PB Series *This model provides an excellent water effect with a fine sheet of water falling like a mountain spring waterfall*
